## Press Release

Beginning today, J.L. Morgan & Associates will start to update various areas of our main website. These updates will not affect anything on our survey solutions website.

The changes will feature new resource links with updated information provided by J.L. Morgan and CMS. We want to provide our clients with the latest and most accurate information.

With updates, comes new things! Be prepared to enjoy all the new revisions.

We would like to apologize for the inconvenience this may cause. If you need anything, please reach out to Brooke Robinson.
